

World class training for GRE, GMAT, SAT etc now in Hyderabad

LogiQuest opens its first center at Somajiguda in Hyderabad

Hyderabad, 21st December 2015: LogiQuest, a division of Thinkcell Learning Solutions, and a Kaplan Certified Education Provider, announced the opening its first center at Somajiguda in Hyderabad. Located in Babu Khan Mall, this center will provide in-person programs for international tests like GRE, GMAT, SAT etc with advantages like Kaplan Certified trainers, high quality study material and online resources plus a first of its kind “Higher Score Guarantee/Money Back” scheme.

Kaplan is the world leader in test preparation and offers courses for more than 90 standardized tests across 30 countries. Kaplan has done extensive research on the highest-yield content that shows up most frequently on test day so that it can help a student manage time efficiently and get the maximum score.

The “Higher Score Guarantee/Money Back” scheme has been introduced to show LogiQuest’s commitment to a student’s success, Under this scheme, if a student doesn’t score higher (than in a previous attempt or in the Kaplan diagnostic test) in the actual test that he or she will have an option to repeat the entire course at no extra charge or claim a fee refund.
